LOCAL MATTERS.

San rises tomorrow at 6:11 a. m. and sets at 5:16 p. m. High water at 9:50 a. m. and 10:10 p. m.

WEATHER PROBABILITIES.—For this section fair tonight and Wednesday; frosts on Oct. 16; light northwesterly winds.

AFRAID OF THE SPARKS—Some apprehension was caused people living on the west side of Fairfax street, between Wilkes and Gibson, early last night by the showers of sparks emitted from the stack at Curtis & Butts' foundry. The furnace was in full blast and the air northwest wind blew the sparks toward the adjacent property. Mayor Simpson was notified and at his request Chief Bailey repaired to the scene. Most of the sparks burned out before they struck the ground or roofs, but the pyrotechnics alarmed many notwithstanding. The proprietors of the foundry will take proper steps toward rendering safety to adjoining property by placing a spark arrester on the stack. In calm weather there is, of course, no danger when moulding is in progress, but during a gale of wind many sparks are apprehended. It is hoped that measures will be taken to allay all fears from the flying sparks, as all appreciate the enterprise and industry of the proprietors, who are employing a large force of men, and none would unnecessarily do anything to hamper them in their work.

SENT A PROTEST—A meeting of the Liquor Dealers' Association of this city was held last night at the Hotel Apich to enter a protest against the measure now before the constitutional convention requiring the consent of a majority of residents in the neighborhood of a saloon before a license can be granted. A communication was sent to the State Recorder of the Association requesting him to use all proper means to have the provision alluded to omitted from the new constitution. The saloonkeepers claim that their State, city and government licenses, fees, &c., now amount to nearly five hundred dollars a year, and the addition by the convention of the proposed provision would virtually end the bona fide saloon business, while speakers would be multiplied a hundred fold, and the State, city and government be losers to the extent of what is now collected in the way of license.

POLICE COURT—The docket of the Police Court continues slim. There were but two cases for trial this morning.

A negro named Rozier Campbell purchased a pair of shoes yesterday from Mr. Rosenblatt on North Royal street, and after wearing them about the city returned, saying they did not fit him and demanded another pair. The dealer refused to exchange them, alleging that they had been damaged by use, whereupon the negro became disorderly and Officer Knight was summoned to take him into custody. He was fined \$5 and in default of payment will be placed on the chain gang.

Annie Cheeks, colored, had been arrested on complaint of Jennie Gordon, also colored, charged with disorderly conduct and vulgar and abusive language. She was fined \$2.50, and in default of payment will be sent to the workhouse.

DISORDERLY NEGRO ARRESTED—James H. Smith, a middle-aged negro, who, it is alleged, caused some trouble on an Alexandria and Mount Vernon car in Washington last night, was required to leave \$15 collateral at the first precinct station in that city this morning. He is charged with disorderly conduct and assault. Wm. J. Vernon, a conductor, living at 115 South Henry street in this city, alleges that when he asked Smith for his fare, the latter told him to "get away back and sit down," and at the same time pushed him away. They had more trouble when the train reached Thirteenth and A-hall street and Pennsylvania avenue, and Smith was then arrested.

AUCTION SALES TOMORROW—Mr. R. F. Knox, auctioneer, will offer for sale for Messrs. J. K. M. Norton, Gardner L. Blothe, and J. C. DePatron, Commissioners of Sale, at 11 o'clock a. m., tomorrow, in front of Cattle's Tavern, in West End, the real estate in the county of Fairfax belonging to the estate of the late Elizabeth A. Watkins. The property is in nine lots on some of which are buildings.

ELECTION OF OFFICERS—The semi-annual meeting of the Young People's Christian Endeavor Society of the Methodist Protestant Church was held in the lecture-room of that church last night. The following officers were elected for the ensuing six months: E. R. Pittman, president; Lambert Sullivan, vice president; R. H. Bartlett, secretary; Mrs. J. Glasgow, treasurer; Mrs. Emma Hamilton, organist; and J. H. Bartlett, corresponding secretary.

ANNUAL INSPECTION—The annual inspection of O. D. Dominion Commandery, Knights Templar, will be held Friday next at 4:30 p. m. The members will assemble at the Masonic Temple in full uniform for inspection and dress parade, and will reassemble at 7:30 p. m. in fatigue uniform for the transaction of business. The members of the commandery will hold a preparatory drill in the Alexandria Light Infantry Armory tonight.

PROPOSED MEMORIAL ARCH—There will be a meeting of the Alexandria county board of improvements, of which Mr. A. M. Lothrop is chairman, in Washington on Tuesday afternoon, October 22, at 4:15 o'clock at the Bond Building rooms to take steps to assist in raising funds for the proposed McKelvey memorial arch at Washington.

FUNERAL OBSEQUES—The remains of Mr. Henry W. Fisher, a native of Norfolk, who died in this city Friday night, arrived at Norfolk Sunday morning on the steamer from this port and were met by a detachment of Pickett's Camp, Confederate Veterans, who escorted them to the grave in Cedar Grove Cemetery, where the funeral services were conducted by Rev. N. B. Thomas, of Christ Episcopal Church. The remains were accompanied by the brother-in-law of the deceased, Col. J. A. de Laguer.

WILL PROBATED—The will of the late Judge John Critcher was admitted to probate in the Corporation Court today and Mrs. Nannie O. Gatewood, daughter of the deceased, qualified as administratrix c. t. a., her mother, Mrs. Lizzie W. Critcher, who had been named as executrix, declining to qualify. The deceased left his gold watch and law library to his son, Mr. John Critcher, and the residue of his estate to his widow.

RIVER NOTES—The three-masted schooner Maudel R. Cox is loading railroad ties at W. A. Smoot & Co's wharf for Boston. The schooner John P. Robinson is loading fertilizer at the same wharf for points in King George county. The steamers which arrived this morning report nothing new in the river.

Work has again commenced on the Old Dominion and Great Falls Railroad extending from the Aqueduct Bridge northwesterly through the counties of Alexandria and Fairfax, toward the Great Falls of the Potomac on the Virginia side of the river.

As was stated yesterday the fire engine which will be substituted for the Columbia while the latter is being rebuilt has arrived from Seneca Falls, N. Y. It was tested in the afternoon and found to be in excellent working order as was also the case when further tested at the foot of Prince street today. The Columbia will be sent away this evening and during its absence the W. A. Smoot will be kept in service.

Two horses attached to Mr. George Meade's furniture wagon ran away at the intersection of King and Washington streets about noon today and scattered some furniture in the streets. The animals were stopped before any serious damage had been done.

It Happened in a Drug Store. "One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In a course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I considered that a very good recommendation for the remedy. The remedy owes its great popularity and extensive sale to a large measure of the personal recommendations of people who have been cured by its use. It is for sale by Richard Gibson.

CLOSING OUT
OF A
FINE RETAIL STOCK
AT AND BELOW COST.

Mr. John E. Tackett desiring to retire from the retail business offers the whole stock of fine Dry Goods contained in the store, 431-433 King street, at and below cost for CASH.

The long established reputation of this firm for buying and handling only first class merchandise makes this a rare opportunity to obtain high class merchandise at very much under value.

The entire stock will be sold, and, as it is desired to make this sale as speedily as possible, the prices are made correspondingly attractive.

As the sale is an absolute retiring from business, the terms are made positively CASH.

Mr. Tackett desires to thank the many loyal friends the house has had in the twenty years of its business existence in Alexandria for their patronage and promptness in their general relations with him, and to ask a continuance of that in confidence the settlement of all accounts due to September 1, and feeling assured that no words of apology are needed for closing up the stock on an absolute cash basis.

Here is a rare
